The Shortline opens its fortieth season this Saturday, May 24. Below: Thiriot and his daughter, Carlie Thiriot in 2003. Thiriot said his daughter has been a big support to him keeping the railroad chugging along.

MIDWAY – In April of 1963, Dick Thiriot and Dick Freed began laying 1000 feet of 12 pound mine rail for a 12 inch gauge miniature railroad. Arrangements were made to locate the railroad in an orchard at the South end of the original Pioneer Village Museum in Salt Lake.

An old 1900 vintage 12 inch gauge steam locomotive, in pieces, was located on its way to the junk yard. Dick Thiriot hauled it to Dick Freed's garage where he had a small machine shop. Freed was a machinist by trade and was an avid steam train buff as was Thiriot. Freed began to put the locomotive back together. The parts he couldn't find or were worn out he made.

Thiriot, with the help of his friend Karl Schleckman, began to build two gondolas and a caboose. In about two and a half months the locomotive and three cars were ready to run on the 1000 feet of track they had laid.

For the next several years hundred of children and many adults rode the train on Saturdays and holidays.

In 1963 Thiriot purchased 5 acres of pasture land 1/2 mile North of the Homestead Resort and had a summer home built. He

knew the train would have to move sometime.

In 1970 a subdivision was scheduled for the orchard and railroad was moved to Midway and became the Midway Shortline Railroad. It has operated Saturdays, holidays and special occasions for 33 years. Now several thousand passengers have ridden.

Additions were made to the railroad. It has a live steam engine and a diesel locomotive as well as 14 cars. The track is now 2000 feet long.

The train operates every Saturday afternoon 12 Noon to 4:30 p.m. May through September, weather permitting. No charge is made to ride but donations are really appreciated to help defray upkeep costs.

Recent Programs

OLD-TIME MOVIE SHOW: We had 20 seniors at the movie show last Tuesday. Watched "Trail of the Lonesome Pine" with Fred MacMurray. Good popcorn and drinks. In the month of April, we had 25 seniors and watched "Penny Serenade" with Gary Grant and Irene Dunn. We will announce our June movie soon.

Monthly Dinner/Program

On Thursday, May 15, we had 89 in attendance for a delicious dinner and a wonderful program. A Senior Citizens band of nine ladies (ages 60 to 92) from Draper, called the "Golden Oldies," performed for us. They were terrific. A lot of fun, toetapping and sing-along.

Monthly Get-away

The "Thursday Get-Away" will be held tomorrow, May 22, at 10:30 a.m. Our guest speakers will be Karl and Elaine North who recently returned from the Mongolia, Ulaanbaatar, Mission. While in Mongolia, they taught under the EFL program ("teaching English as a Foreign Language"). They also taught the local people how to run a branch of the LDS Church. For nine months, they set up a vocational school where they taught different vocations.

Come and go on this educational trip to Mongolia with us. Karl is a retired educator from Wasatch High School. Elaine, in addition to being a homemaker, runs a carpet business with Karl. They are to parents of eight children.

Membership Drive

At our last Board meeting, approval was given to promote a Membership Drive during the months of May and June. We invite all of you to join with us in this special effort to greatly increase the number of seniors (1) who pay membership dues, (2) who will participate with us in our various activities, and (3) who would like to volunteer to serve on some of our committees.

(Participation in our activities and services are open to everyone 55 years of age and older, regardless of whether or not dues are paid. Our meals programs are for those 60 and older.)

For this special drive, we will lower the dues to \$4 for the remainder of the year.

We will have available for everyone a 1-page promotional and informational handout to assist you in explaining to others, or understanding yourself, what we use the dues for, the benefits of being a dues-paying member, what kinds of activities we have, etc.

Increase in Suggested Contribution For Meals

At the monthly Mountainland Association of Governments, Division of Aging Advisory Council meetings for March and April, the issue of rising meal costs in rural areas (this includes Wasatch and Summit Counties) was on the agenda for discussion.

To assist Wasatch and Summit Counties, a motion was made and voted on unanimously, to increase the "Suggested Contribution" for "Meals on Wheels" to \$2.50 and for "Congregate Meals" to \$2.25. This will affect 25 senior centers. This

Monday is Memorial Day. Uncle Sam, that means we have a weekend; time to kick off spring with an added day to the sun with an added day to the sun.

But it's more than just a long weekend. Traditionally, Memorial Day is the day we pay homage to those who have passed away, a time to remember dearly departed loved ones.

Decoration Day, as Grandma always called it, was that, the day to decorate the graves. With the white metal baskets with fragrant flowers and ribbons tucked carefully on the back of the car, off to the cemetery.

It was a sad day for Grandpa, who remembered a daughter, a son, a husband, who all preceded him. But with many friends she had known, it was a happy day, too.
